

ELECTRONIC PAYMENT FOR INDEPENDENT CAREGIVERS

LTCpayroll is the leading provider payment service for families using long-term care providers. Over 50,000 clients and caregivers have trusted our company, technology and secure payment solution; we understand and strive to satisfy the needs of care recipients, their families and caregivers.

ADDRESSING THE NEEDS OF FAMILIES UTILIZING LONG TERM CARE PROVIDERS

LTCpayroll is an easy, cost-effective payment service for families receiving care from Independent Caregivers. LTCpayroll removes the burden associated with tracking hours, writing checks and paying a caregiver referral service, and provides useful tools for both families and providers. A total payment and record-keeping solution, LTCpayroll makes it easier for families and caregivers to focus more on their loved one's care, and less on the hassles of paying for that care.

“...You have made my life a lot easier. We love our caregiver and we are so happy that we can have her continue to work for us, while you take care of the payment details. It has taken a big load off of our shoulders...”

LTCpayroll services include:

- Personalized registration & easy setup process
- Accept credit cards or electronic funds transfer from bank acct
- Weekly electronic direct deposit payments to Independent Caregivers
- Payment of 3rd-party referral agency fees
- Telephonic timecard system included to track and record hours worked & services provided
- Online access to information & reporting for families & caregivers
- Year-end 1099's provided upon request
- High-touch customer service & support

Trusted Billing and Payment Partner
